Why Your “YES” Vote Counts

Why is LACCD holding an election?

At the January 2020 Board of Trustees meeting, classified employees filed a petition under Ed Code 88069 to change the method by which the three PC Commissioners are appointed. Now is the time for your voice to be heard. Stand with your colleagues and vote “Yes” See voting dates and locations to the right.

Voting YES on this ballot means that classified employees will select the next commissioner to fill the November 2020 vacancy.

The ballot will read:

“Shall Personnel Commission members in the Los Angeles Community College District be appointed as follows:

(A) One member appointed by the governing board of the district.
(B) One member appointed by the classified employees of the district.
(C) Those two members shall, in turn, appoint the third member.

___ Yes
___ No”

Employees must check either “Yes” or “No” on their ballot and can take up to 30 minutes to vote. WHEN YOU VOTE, MARK X NEXT TO “Yes”

What will happen if a majority of the classified vote “Yes”

Classified employees will nominate the person to fill the November 2020 vacancy. The vacancy that will occur in November 2021, will be filled by a person nominated by the Board. The vacancy that will occur in November 2022, will be filled by a person nominated by the other two Personnel Commissioners. This process would be implemented for all future appointments.
